

THE SOURCE OF TRUTH

by Robert B Holman Jr

There is a lot in Scripture. It contains historical evidence as well as scientific fact. Over the tenure of my lifetime, the only thing I have seen Scripture used for is inspirational preaching and teaching that reinforces the same. I have come to understand that the majority of the religious leaders do not have a clue as to how the dynamics of history and science impact the truth that the Scriptures contain. Or at least that is what's portray.

In 2007, I was introduced to the Hebrew Roots of Scripture with the emphasis on the Torah as the foundation of all truth. I have come to realize that that is exactly what it is. The Scriptures, which many people refer to as the Bible, contain everything that it says it does.

The Father says, in 2 Peter 1:3 *“Yahweh's power has given us everything we need for life and godliness, through our knowing the One who called us to his own glory and goodness.”* Have you asked the question what *glory* and *goodness*? What is Peter talking about? Whether one wants to believe it or not, the reference is directed at the Torah. It is glorious and it is good. Sha'ul (Paul) states in 1Timothy 1:8 *“We know that the Torah is good.”* Knowledge of knowing the Father is contained therein. Hose 4:6 *“My people are destroyed for want of knowledge. Because you rejected knowledge . . .”* The old proverb says, “knowledge is power.” The issue is having the right knowledge, particularly when it comes to understanding the Creator of all things. HE has given us knowledge to produce more than an emotional uplift. His word has given mankind life through the knowledge of HIM and all that HE is. This knowledge produces the only "TRUTH" that man can depend on. This is why the time has come for man to get pass the emotion of Scriptural oratory and acquire the knowledge contained in Scripture for the purpose of life and liberty.
