

We Are of "the Way" (Acts 24:14)

We do not teach a doctrine that contains heresy. We are Hebraic and not Judaic in biblical foundation and understanding. We believe that every Scripture is supportive and cyclically connected to all sixty-six (66) books. Therefore, all the books are important to the whole and to the knowledge they impart.

"But thou, O Daniel, shut up the words, and seal the book, even to the time of the end: many shall run to and fro, and knowledge shall be increased" (Daniel 12:4).

Since the opening of the superhighway called the "World Wide Web," knowledge and information has increased at warp speed. With that, all kinds of information are now available, but none so important, as that information which is applicable to our faith, through the Father's wisdom and understanding.

It is important that we "Add to Our Faith Knowledge, and Truth," orchestrated by the Ruach HaKodesh. It is not the intent of this website to demean anyone's faith. However, it is our intent to provide inquiring minds with a place to begin investigating truth associated with Scripture and historical facts as led by the Ruach HaKodesh.

If you have stopped at this website searching for information concerning faith associated with the Hebrew roots, it is important for you to know that, we believe "truth matters." Our brother Kefa (Peter) states, these words, *"For this reason, do your utmost to add to your belief uprightness, to uprightness knowledge, to knowledge self-control, to self-control endurance, to endurance reverence, to reverence brotherly affection, and to brotherly affection, love."* (2 Kefa 1:5-7)

With this in mind, it is extremely important for people of faith to do their utmost to make firm their calling and choosing, so they will never stumble at all (paraphrased 2 Kefa 1:10). As the Prophet writes in Hoshea 4:6 *"My people have perished for lack of knowledge. Because you have rejected knowledge, I reject you from being priest for me. Since you have forgotten the Torah of your Elohim, I also forget your children."* This segment of the Father's Scriptures may appear harsh to us. However, if we do what He instructs us in D'varim 6:5-7, our children will never forget Torah, nor be forsaken. This applies to all generations who are obedient to Torah.

Yes, truth matters, and the truth of the matter is this, the majority of the Bibles we read and study from, are simply translations offered to us by men. As we know, men are flawed. Therefore, because we are people of faith believing in one Almighty Elohim, it is important for us to understand and walk under the influence of the Spirit of our Creator, whom we also call Our Father; Yahweh. It is true and factual that, the body of work presented to us in most Christian Bibles from which we study, have within them truth and error. The error is the result of the influence of the interpretation, translation, and transliteration of the Father's words by men who have presupposed agendas. They have added to and subtracted from what the Father has said (and or means), which is in total violation of Scripture as stated in D'varim (Deuteronomy) 4:2, *"Do not add to the Word which I command you and do not take away from it, so as to guard the commands of YHWH your Elohim which I am commanding you."* Also, read D'varim (Deuteronomy) 12:32, Mishle (Proverbs) 30:6, and Revelation 22:18-19.

This is the reason why it is important as we search for truth, that the Ruach HaKodesh leads us and not man (therefore, having no confidence in man). Inside of the Scriptures, 1Yochanan (John) 4:1 states: *"Beloved ones, do not believe every spirit, but prove the spirits, whether they are of Elohim, because many false prophets have gone out into the world."* We have arrived at the prophesied time where knowledge has increased dramatically, and will increase further at an accelerated rate. It is important therefore, for us to realize, that as we search the Word of the Father for His truth, we must be diligent in keeping our minds and hearts open to receive the truth from the very source of truth, Our Elohim. Our eternal lives depend on it.

If people, who are born of water and Spirit, function under the guidelines set forth by the Spirit, then all truth will be revealed. If you believe that the Father, is the ruler of all things, and is knowledgeable of all things, then your prayer should be for the Father to teach you all the things associated with your life that will lead to righteousness and eternal life.

Throughout history, people have assigned negative stereotypes or labels to people, places, customs and cultures that are different from their practices. They may not have understood others' purposes or abilities. Often times this type of negative labeling results because it threatens our comfort levels or way of life. Just because that's the way something has always been, does not mean that it's right. When we label something or someone demonic, or heretical, or a cult, let it be by a body of evidence supported by history, Scripture and the Ruach HaKodesh as witnesses.

As the Father says through the Prophet Yesha'yahu (Isaiah) 55:8 & 9, *"For my thoughts are not your thoughts, neither are your ways my ways," declares Yahweh. "For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts."*

Let us become followers of the Father's way and not lean on our own understanding.

Since our lives as believers are dependent upon the Father's truth, as a life-and-death matter, it is important for you and I not to trust in the dissertations of men. This trust also includes any of the things you read here on our website. We invite you to be led by the Ruach HaKodesh and in all of your getting, get understanding.
